FINE WATER—GOOD MU- SIC AND CHARMING WOMEN.

For delightful cool refreshing bree-

quito, Harris Lithia Springs is the
place to while away the hot and sul-
try days of August.

The Hotel is perched upon one of
the many rolling hills, like a duck on
its nest, and surrounded by trees,
that protect the summer resort seeker
from the piercing rays of "Old Sol."

Dame nature has done good work
for this place of places, and been ex-
ceedingly generous with her gifts.

The spring is at the foot of the hill,
about one quarter of a mile from the
hotel, and bubbles up through a bed
of solid marble. At a little distance
down the valley, is the sulphur spring,
great for its curative qualities, but
little sought after by the hotel guests.

lead. If we had woman's suffrage,

was instituted over the dead body of
Mr. J. N. O. Gregory, who died near
Old Town, in Newberry county, yes-
terday, as already reported in this
correspondence, has been adjourned
pending an analysis of the contents of
his stomach.

He died at the home of John DeLoach
who formerly lived in this county,
and it is stated that while Mr. Greg-
ory's friends who heard what testi-
mony was taken were satisfied there
had been no foul play, yet DeLoach
and his wife asked that a full exami-

Mr. Gregory, who is a lawyer at
this bar, left Saluda early yesterday
morning, saying that he was going to
Chappells. Instead it appears that he
went to the home of John DeLoach
near Old Town, arriving there about
11 o'clock. DeLoach, it appears, was
in the field and upon the invitation of
his wife the deceased went in the
house to await the coming of DeLoach
whom he said he desired to see in con-
nection with the Alfred Free case.

On going in, Mr. Gregory began eat-
ing a piece of watermelon which was
lying on the table. Mrs. DeLoach in
her testimony says she told Mr. Greg-
ory not to eat that, as it had been ly-
ing there all night, and then she cut
a fresh melon and each of them ate of
it. Very quickly she says the deceased
complained of being ill and asked
for a doctor immediately. Soon as
possible she got a darkey to go to the
field for her husband.

In the meantime she stated that Mr.
Gregory told her he was going to die
and that he apparently became delir-
ious, as he ran into the house and
soon stripped himself of all his gar-
ments. He died soon afterward.

The stomach of the deceased was
placed in the care of Dr. Holloway,
the physician who held the autopsy,
and he was instructed to have it sent
to Charleston that the contents might
be analyzed. This will be done.

The remains of the deceased were
brought here today and were interred
this afternoon in the village cemetery.
The news of Mr. Gregory's death
was a severe shock to his wife and she
is almost prostrated.—The State.

LEXINGTON COURT.

JUDGE GARY ON THE BENCH.

MANY CASES OF MUCH INTEREST AND VARYING RESULTS.

Lexington, S. C., Aug. 17. (Special.)
—Court convened Monday morning at
10 o'clock, with Judge Ernest Gary
presiding.

Clerk of Court S. B. George, Solic-
itor Timmerman and Stenographer Mc-
Feat, were at their regular post of du-
ty promptly and the business of the
court moved off with dispatch.

The following "no bills" were re-
turned by the Grand Jury:

J. G. Taylor, assault and battery
with intent to kill; Henry Monts, as-
sault and battery with intent to kill
and carrying concealed weapons; Hen-
ry D. Kunkle, assault and battery
with intent to kill; Solomon Bouk-
night, house-breaking and larceny;
G. B. McCombs, embezzlement of
public money.

A nol. pros. was entered by the So-
licitor in the case of the State vs. Wm.
Wyse, for assault and battery with in-
tent to kill and carrying concealed
weapons. This case has been on the
docket for some time, and the prose-
cuting witness has left the State.

The following cases were continued:
Jay Jeffcoat, for murder, Wm. Glass,
murder, J. Hamp Long, larceny, and
Geo. W. Boatwright, obtaining goods
under false pretenses.

The first case tried was that of the
State vs. Perry Taylor, charged with
assault and battery with intent to
kill. Messrs. W. H. Sharp and E. L.
Asbill assisted the Solicitor; J. B.
Wingard and E. U. Shealy appeared
for the defendant. The Jury returned
a verdict of guilty and the Judge im-
posed a sentence of \$75, or 4 months.
The \$75 was paid.

Jesse W. Shealy was tried for bas-
tardy in his absence, and convicted.

The next case was that of Bessie
Thomas, (colored), indicted for as-
sault and battery, with intent to kill.
Mr. E. L. Asbill appeared for the de-
fendant. She was found guilty and
the sentence of the Court was, that
she pay a fine of \$100, or be confined
in the State Penitentiary for a period
of 8 months.

It will be remembered that a re-
ward of \$50 was offered by the Gov-
ernor for her arrest, she having escaped;
but our efficient and active Sheriff, P.
H. Corley, by clever detective work,
caught her in Augusta, Ga., and thus
saved the State the \$50 reward.

Shep. Taylor pleaded guilty of the
charge of arson and was sentenced for
10 years in the State Reformatory, the
minimum sentence allowed by law. It
is stated, on good authority, that on
account of the youth of the boy, that
the Judge and the Solicitor will recom-
mend that his sentence be commuted,
possibly to 2 years.

The first case called for trial on
Wednesday morning was that of Geo.
W. Nobles, indicted for murder. He
killed a negro by the name of Wash
Nickles, on the 17th of June, at Steed-
mans, S. C. Mr. E. L. Asbill assisted
the Solicitor, and Messrs. W. H. Sharp
and E. P. Strother appeared for the
defendant. This case consumed the
entire day. The Jury returned a ver-
dict of not guilty.

Friday, August 18.

In the New Brookland election
fraud cases—Fox, McCombs and Mitch-
ell, the Jury brought in a sealed ver-
dict, which, when read, was \$75, or 4
months, for each.

John Cato, charged with assault and
battery, pleaded guilty and was fined
\$25, or 30 days in jail.

The case of the State vs. Henry
Planter, indicted for murdering his
wife, is in progress to-day.

RERORT OF THE GRAND JURY.

We, Isaac Edwards, D. L. Koon and
D. H. Craft, the committee appointed
by your Honorable body to investigate
and inspect the Institutions and of-
fices for this County and report to your
Honorable body the conditions and
management of the same beg leave to
say that we have not actually investi-
gated the affairs of the same owing to
the lamented illness of the County
Treasurer Mr. Frank W. Shealy, who

has been sick for some time and is
still unable to attend to his official
business. This business we will at-
tend to between now and next Nov-
ember term of Court.

While we have not made any per-
sonal or actual investigation of the
various offices and the bonds of the
office holders, still we have been very
vigilant in the matters and feel that
there is nothing that needs immediate
attention.

We thank the Grand Jury at large
for the kind consideration shown us.
ISAAC EDWARDS,
For Committee.

To the Honorable Ernest Gary
Judge presiding at the August term
of the Court of 1905, in and for said
County and State.

The undersigned in behalf of the
Grand Jury begs leave to make the
following Report and Presentment.

We have passed upon all bills hand-
ed us by the Solicitor and endorsed our
findings thereon.

At the last Sessions of the Court we
appointed a committee herein above
mentioned with T. C. Sturkie, Esq.,
as expert, to investigate the condition
of the various County offices and the
bonds of the County officers which com-
mittee has reported as above to us,
which report we heartily concur in.

We have visited the County Jail and
find a new pump dug, which is need-
ed and also that the roof of the Jail
needs repairs. We recommend that
the pump, which is used for drinking
water be paid for by the County Com-
missioners as also the repairs of the
Jail. We suggest that a proper
amount to be paid for the pump is
\$34.49. The Jail repairs to be paid for
as amount requires.

We further recommend that the
County Commissioners have erected
around the public square of the
County's property with as many open-
ings and gates as to them may seem
fit and proper.

We further recommend that the
County Commissioners urge and re-
quire the road overseers of the various
sections of the public highways to
open up the public

Fishing Tackle.

the full extent as is required by law.
We do this for the reason that it is
for the public convenience and as also
some litigation has been commenced
along this line.

We recommend that the Magis-
trate's Constable be required to give
bond as is required by law which
bonds are to be approved by the
County Commissioners.

We return thanks to the Court So-
licitor and the County Officers for
their kindness shown us.

All of which is respectfully sub-
mitted.

ISAAC EDWARDS Foreman.

Will Brown (col), who was commit-
ted to Jail by Magistrate Derrick, for
housebreaking and larceny, died in
Jail Monday.

Solicitor Geo. Bell Timmerman re-
turned Saturday from Edgefield where
he had been in attendance on court.
That he is forgoing to the front as one
of the best Solicitors in the State is
evidenced by the fact that during the
entire Court at Edgefield, he lost only
one that went to the jury.

LORENZO CULLUM, JR., OPERATED ON FOR APPENDICITIS.

Dr. LeGrand Guerry performed, at
noon to-day, an operation for appen-
dicitis upon Lorenzo, the young son of
Mr. L. P. Cullum. The appendix,
which was much affected, was success-
fully removed.

Though the case is serious, owing
to accumulation of pus and consequent
danger from peritonitis, the healthy
condition of the child promises a
speedy recovery.
